

How YOU can help

The Foundation needs your help to achieve our goal to have a “Little Red Barn of Books” in every elementary school in New York State. Each barn costs \$275. We are asking you to please consider sponsoring a barn. You can do this several ways:

- **The Barn Builder** \$275 (You have the opportunity to select the “home site” for the Little Red Barn.)
- **The Roof Raiser** \$100
- **The Sod Buster** \$50
- **The Homesteader** \$25

Each “Little Red Barn” will be inscribed with the names of the contributors who made it possible. They are also available as a memorial gift.

You will have the opportunity to be present when the barn is given to your school district.

Upon request, further information about NYFB Foundation activities and programs will be provided. If you wish additional information on the Foundation activities and programs, please write: New York Farm Bureau Foundation For Agricultural Education, Inc., P.O. Box 5330, Albany, NY 12205. The Foundation Annual Report may be obtained by writing either the N.Y.S. The Gift of Education

- Housed in an easily transported **Little Red Barn** this collection will contain approximately 20 of the top Ag education resources for Pre-K through third grade.
- Resource information and an outline suggesting an application of use to meet the “standards” set by the State Department of Education will be included with each barn.
